AMUSEMENTS.

"The Rivals" Advance Sale. The first day's sale of seats for the one performance by the All-star Company of "The Rivals" at English's next Tuesday night was heavy as had been expected. Plenty of excellent seats, however, remain unsold in all parts of the house, except the orchestra and orchestra circle. There will probably be few left by the night of the per-

Mr. and Mrs. Henry E. Abbey Quarrel. A New York dispatch says Mr. and Mrs. Henry E. Abbey have separated. For nearly three weeks she occupied a flat in the handsome Grenada building with her stepdaughter, Miss Kittle, while Mr. Abbey has had quarters at the Gilsey House. The intimate friends of the Abbeys say the separation will not be permanent, and is due purely to a little domestic friction, which will in time be healed. The quarrel which ended in separation occurred in Chicago less than a month ago. Loud words were heard one afternoon in the Abbey apartments. No the time. Mrs. Abbey and Miss Kittle came to New York that same afternoon. Mr. Abbey returned a few days later and found apartments reserved for him at the Gilsey use, where he has since lived. Shortly following her return came the public an-nouncement that Mrs. Abbey had decided to return to the stage next season. Since that day Mr. and Mrs. Abbey have not met. For a week Mr. Abbey has been quite ill at his apartments in the Glisey House. His daughter Kittle came to see him, and the friends of both parties say she will probab eventually reunite her father and mother. Abbey's name is familiar to every theatergoer in this country and in England. From the fact that he controls the largest number foreign musical celebrities, and directs the largest operatic organization, he is re-garded as the foremost of American managrs. Mrs. Abbey was Miss blorence Gerard, who was a stage favorite a few years ago. She was born in Cambridge, Mass., and made her debut in England, where her early professional experience was obtained. Her first appearance was as Lydia, in "The Love Chase," at Plymouth, in 1877. It was while she was leading lady for Edwin Booth that

Comedian Stewart Shot. DENVER, Col., May 13.-Comedian Charles J. Stewart, formerly a member of Haverly's minstrels and lately one of the phone combination, was fatally shot by William Newell, alias "Kid McCoy," an ex-convict, in Pat Hickey's saloon about midnight. Newell had words with Hickey over the payment for drinks and pulled a revolver, intending to shoot Hickey. He fired, the bullet striking Stewart, who was standing at the bar. Newell and Stewart had entered the saloon together and were friends. Newell was arrested.

ECLECTIC PHYSICIANS.

Papers Rend and Discussed at the Annual State Meeting.

The Indiana Association of Eclectic Physicians and Surgeons began its annual convention yesterday morning at Room 11, in the State Capitol. There were about fifty members of the association present. The visitors were welcomed briefly, but heartily, by favorably known. Mayor Taggart, and a response was made by Dr. W. S. Shafer, of Rochester, president of the association. After the routine business of the body was disposed of the rest of the day was devoted to the programme of talks and papers that had been prepared. Dr. L. E. Russell, of Springfield, one of the most uniformly successful surgeons in Ohio, gave an interesting talk on gynecological work accomplished at the Eclectic Hospital in Cin-cinnati. Dr. Thomas Spaulding, of Terre Haute, who was one of the members of the last Legislature, read an interesting and somewhat humorous sketch on "The Physician's Life." The rest of the papers, which were purely technical, were as follows: were purely technical, were as follows:

BICYCLISTS FINED.

Penalty-In Haughville, Too.

Henry Meyer and Edward Kellermeyer,(who rode their bioycles into a crowd of colored people on College avenue Sunday morning, were fined \$5 and costs in Police Court yesterday. The people had just alighted from a car when the wheelmen dashed into them. Francis Stout and Alice Brown were the severest sufferers. The men protested that they had tried to stop and had given warning of their approach. The court decided from the evidence that they had not exercised the proper care.
William Hansman was fined \$10 and costs

on account of the trouble he had Sunday with Hanson Williams. Hansman was rid ing a wheel on Indiana avenue Sunday and brushed against Williams, who took him to task. Hansman said Williams grabbbed his wheel and he struck Williams. Thomas Shipley, of this city, was fined by Justice Martin, of Haughville, yesterday for riding on the sidewalks of that suburb.

Brightwood Affairs. The old Town Board of Trustees at Bright wood met for the last time last night and spent the time in cleaning up such business as remained for action. Reports were received from all committees and from the retiring town marshal and treasurer. The report of Lee Fisher and Samuel Bloom, appointed to audit the books of the town clerk, was also read and received by the board. Then the salary bills were presented for consideration. Mr. White objected to allowing the retiring marshal two days' salary for time he did not serve (his month not ex-Has for its basis wholesome piring until the 15th), basing his objection upon the fact that he would not serve the two extra days, and intimated that eitizens had alleged that bills were O. Kd." by the finance committee that were not legal. After considerable discussion regarding the matter, in which the retiring marshal joined, the total amount of the bill was allowed. Certificates of election and oaths of office of J. J. Stephens and William H. Johnson, trustees; Azariah Newhouse, marshal, and J. J. Vandenaire, clerk, were received. Neither the oath of office nor the bond of Neither the oath of office nor the bond of Joseph Cook, the new treasurer, had been received by the board, as he wished to be instructed by it as to the amount of his bond. After allowing the bills for the retlring offi-cials Dr. William H. Johnson, president of the board, declared the board dissolved. The new Board of Trustees immmediately assembled and but one new face appeared in the circle, J. J. Stephens being the new member chosen at the late election, while Dr. William H. Johnson was the trustee reelected. The board immediately reorganized and Dr. William H. Johnson was elected permanent chairman of the new board. The \$500 bond of the new clerk, J. J. Valdenaire, with Jacob Traub and John Hoss for sureties, was accepted, as was also the \$100 bond of the new marshal, Azariah Newhouse, his bondsmen being George G. Newhouse and G. W. Hunter. He also objected to the marshal receiving a per cent. on licenses issued, and also to his receiving extra pay for making arrests. He being a bonded officer, however, the members did not think they could legally alter that arrangement for remunerating the marshal. Mr. Hodgson's motion to make the trustee's salary \$50 a year was carried. The first meeting of the new Board of Trustees adjourned after the clark had been in-structed to furnish the new treasurer with a blank bond and to inform him that his bond had been fixed at \$8,000.

The employes at the Big Four shops at Brightwood are in sympathy with the half-holiday movement that is being agitated at present. In order to keep in touch with this novement and secure the privileges of a half-holiday for themselves they petitioned shops, to allow them to work ten hours a day, five days of the week, and a half day on Saturdays. Yesterday the petitioners received a letter from Mr. Lawler stating that it had been decided to run the shops upon the same time as heretofore; namely, nine hours, six days of the week, for the tin. locomotive switch and machine shops and for all other departments ten hours each for five days and nine hours on Saturday.

INDIANA OIL FIELD. List of New Wells Recently Struck-Prices Fall.

Special to the Indianapolis Journal. MONTPELIER, Ind., May 13 .- The reports of the runs and shipments of the crude product in the Indiana and Ohio oil field for the month of April were not very encouraging for the maintenance of the price of the product, as the runs have been increasing 4,069 barrels a day, while the shipments dez clined 636 barrels daily. This represents that a large amount of oil has been run into the large iron storage tanks and is a surplus. It is evident that if the oil public wants a better price for the fluid the drill will have to be stopped to some extent and allow the working off of some of the oil now in the storage tanks. The price of the Indiana and South Lima product took another drop of 2 cents on Monday, and the North Lima oil was dropped the same amount.

An Old Will Case Reversed and a Columbus Lawyer Given a Lesson. Special to the Indianapolis Journal. COLUMBUS, Ind., May 13.-Special Judge Batchelor, of Vernon, decided a will case here this evening that involves about \$40,000. During the two days some sensational developments were brought out. Several years ago Bond Burnett, one of the pioneer farmers of this county, died leaving an estate of \$40,000 to be divided between his widow, Janette Burnett, and his son, William Burnett. In 1890 Janette Burnett died according to a will. In the will she gave forty acres to William Busch, a former son-in-law, whose wife had died. The remainder of the real estate was to be divided between her two granddaughters, Nannie and Nettle, when they became of age. Her personal property, amounting to \$10,000, was to be divided between the granddaughters and her son William. This property was to be held in trust by the father until the girls, aged twelve and fourteen, became of age. Some years before this William Burnett's wife died and almost immediately he married a second The stepmother always showed a great dislike for the girls and vowed that shown from depositions that the will was drawn up by a prominent attorney of this city, and he received \$100 and signed the will as a witness. The other witness moved out of the State soon after the will was made and was never notified of the death of Mrs. Burnett. Soon after her death William Burnett called on the attorney who had drawn up the will and was shown the document. He told the attorney that he was very anxious that the property

should fall to him instead of to the chil-dren, and he retained him to break the will and paid him \$1,000 as a retainer. Be-

fore a contest was made on the will the

THREE TIRED OF LIFE

trustees of the church were paid the \$500 and William Busch was deeded his forty acres. After this the will was taken into court, contested and set aside. The attorney who had drawn up the will and who was seemingly appearing for the defense, was put on the stand and refused to testify as to the sanity of Mrs. Burnett at the time the will was drawn. No other witnesses were called on this point, and the judge, thinking the suit was in good faith, set the will aside. set the will aside.

Two years ago Nettle Burnett, the elder of the two girls, married Thomas J. Mullins, a young farmer of the neighborhood. After her marriage her father refused to have anything to do with her or to let her sister visit her. Last October she died, leaving an infant child. The father of the child learned and brought suit in the name of his child to have the old fudgment set aside that the property rightfully belonging to his wife might fall to the child. From the evidence in the case it is learned that William Busch and the trustees of the church knew nothing of the suit, although an attorney was in court, seemingly to represent them. The original copy of the will could not be found, but a copy belonging to the papers in the contest was found and was used in this case. Miss Nannie Burnett, the surviving heir, deposed that her stepmother and father always treated her shamefully, and although always treated her shamefully, and although she is now a young woman they still beat and whip her. W. F. Norton, the attorney, was placed on the witness stand and admitted that he took the two fees and in deciding the case Judge Batchelor took occasion to score him and the other attorneys connected with the first case. After hearing the evidence the case was decided in favor of the plaintiffs, and now the will will be presented for probate as though it had never been in court. The defense talk some of taking the case to the Supreme Court, but it is thought that the matter will be dropped. The array of legal talent in the case just closed was imposing, the plaintiffs having Cooper & Cooper, Stanisfer & Baker, J. W. Donaker and W. H. Everroad. The defense presented Hacker & Remy, M. D. Ewing and W. F. Norton. Popular opinion was all with the plaintiffs in the case.

Christian Ministers in Session.

GOSHEN, Ind., May 13.-The Northern Indiana Ministerial Association of the Christian Church began its thirty-second annual convention in the Central Christian Church in this city yesterday afternoon. The district is well represented. Rev. A. L. Orcutt, of Indianapolis, the president, called the meeting to order and Prof. W. E. M. Hackelman conducted the music. Opening exercises were conducted by Rev. L. L. Carpenter, of Wabash, oldest member of the association, and the only charter member now living. Mayor Heatwole delivered an ad-dress of welcome. Rev. E. T. C. Bennett, pasvisitors. Rev. Robert Sellers, of South Bend, the annual address. The feature of the afternoon was a scholarly address to the preachers by Prof. H. L. Willetts, of Chicago Iniversity, one of the distinguished preachers of the Christian Church. There was a motion to change the association into what is to be known as Lectureship. The society called on Rev. L. L. Carpenter to give a history of the association from its first organization, and this was done to-day. At night Rev. J. V. Metike, of Valparaiso, delivered an address.

DISTRICT ODD FELLOWS. at Winchester.

Members from a Dozen Cities Gather Special to the Indianapolis Journal. WINCHESTER, Ind., May 13 .- To-day has been a red hot day in the history of Odd Fellowship in this city, it being the occasion of a district meeting of the members of the encampment and Patriarchs Militant. This city boasts of one of the largest and wealthiest lodges in Eastern Indiana. In recognition of the occasion and in honor of the this city, an address of welcome by Hon. Andrew J. Stakebake, of this city, with a response by Grand Warden R. P. Davis, of the Portland encampment. Following these room, the Patriarchs Militant degree being conferred on a number of candidates. A practical address on the Patriarchs degree was delivered by Hon. J. E. Bodine, of Indianapolis department committee. Grand Instructor W. H. Leedy conducted a school of instruction. After a banquet White river encampment, No. 50, of this city, which is famous throughout Eastern Indiana for its excellent work, conferred the patriarchial degree on candidates. Following this Past Chief Patriarch William R. Nesbit addressed the meeting. The golden rule degree was conferred on candidates by Randolph en-campment, No. 81, of Union City, Grand Junfor Warden J. F. Mann following with an address on this degree. The exercises closed with Portland encampment, No. 164, conferring the royal purple degree on candidates, and an address on this degree by Hon. John B. Cockrum, G. R., of Indianapolis.

Tin-Plate Factories in Trouble.

Special to the Indianapolis Journal. ANDERSON, Ind., May 13 .- The National Tin Plate Company, of this city, is contemplating the erection of a large openhearth steel rolling mill for the manufacture of steel to be used in their tin mill. At present the tin plate factories are at the mercy of the steel trust, which has advanced the price of steel to such a point that American manufacturers will be compelled to close down unless some plan is devised to secure steel at a lower price.

Mr. W. H. Donner, of this city, who is
manager of the large plant here, was a
bidder for the Premier steel mill of Indianapolis that was leased a few days ago to the American Tin Plate Company, of Elwood, and the American Wire Nail Company, of Anderson. Mr. Donner also stated that the estimated cost of the new mill was between \$60,000 and \$75,000.

Rooker Playing Insane.

Special to the Indianapolis Journal. NOBLESVILLE, Ind., May 13 .- The Rooker case attracts very little attention in this city, sometimes not over a dozen spectators being present. The entire day was taken up by the defense in trying to prove that Rook-er was insane at the time of the crime. Over wenty witnesses were used. Rooker himself is playing his part well, as he still gazes at the ceiling and pays no attention to the case. It is thought the trial will be completed to-morrow.

Miss Harris Shot from Ambush. Special to the Indianapolis Journal. ELKHART, Ind., May 13 .- An attempt was made by an unknown man yesterday afternoon to assassinate Miss Carrie Harris,

yard of her home, when some one behind a board fence near by discharged a revolver at her, the ball striking her in the left arm near the shoulder and causing a severe wound. She screamed, ran into the house and fainted. In the meantime the would-be assassin escaped and has not been apprehended. The young woman was not aware that she had an enemy, but recently has received several anonymous threatening letters written in a disguised hand. The matter is being investigated.

Decapitated by the Cars.

Special to the Indianapolis Journal. UNION CITY, Ind., May 13 .- Joseph Rott, supposed to be from Columbus, O., was killed last night by the west-bound Panhandle passenger train. The remains were found later on by a freight crew, just west of town, and were brought to this city. When found the body was lying alongside the track, while the head was lying between the rails, some distance away. He was a well-dressed man, aged about fifty, and wore a silk hat. A small amount of money in change and a ticket from Columbus to Chicago was all that was found in his possession. The supposition is that he either fell off the train or was robbed and thrown off. The matter is under investigation by the coroner.

Cadwallader Bank Affairs.

Special to the Indianapolis Journal. UNION CITY, Ind., May 13.-State Bank Inspector Millikan has completed his work with the Citizens' Bank, which was compelled to close its doors, and has returned to his home in New Castle, awaiting the appointment of a receiver by the court next Saturday. An appraisement was made yes-terday of the mortgages and notes, and it is said that the character of the notes is good, and the depositors will be paid in full. The directors say the affairs of the bank are in good condition, and the report that C. H. Cadwallader, cashier, was short, and that the bank was in a "rotten" condition, is said to be untrue.

Hibernians in Session.

Special to the Indianapolis Journal. DANVILLE, Ill., May 13.-At the A. O. H.
